Neurodiverse Adults 18+

A Bunch of Super FUNdamentals and A Bunch More SuperFUNdamentals

Who said basics can't be fun? This class is full of fun and basics. We'll cover everyday tools, utensils and their uses, basic knife skills, kitchen safety 101, staple ingredients and their uses, and sprinkle in some food storage how-to. These need-to-know basics build confidence for navigating in and around the kitchen all while incorporating what we learn into some outstanding recipes! Take one week, take both weeks as there are different recipes, and we build on skills.

Let's Bake

Bakers unite! Ready to take your baking skills to the next level? We cover the essential basics you need to become a confident home baker. We'll cover the fundamentals—like measuring, mixing, and baking temperatures—while also showing you how to get creative. Students leave with easy recipes and basic skills to make delicious, homemade goodies from scratch. No experience needed—just a love for learning about baking! Ladies and gentlemen, start your ovens!

Tasty Tex-Mex

Spice up your culinary skills with some bold flavors! Students learn how to create a variety of easy and yummy Tex-Mex favorites! We'll guide you through the basics of prepping, cooking, and assembling dishes full of flavor. We'll cover common Tex-Mex ingredients and their uses. You'll leave this class with the basic skills to make delicious Tex-Mex recipes anytime you have a craving!

Pasta, Pizza, Pastry Palooza

The title of this cooking class series speaks for itself. While exploring traditional flavors of Italy, students learn how to make pasta from scratch, explore scrumptious deep-dish pizza, and mouthwatering pastries. Don't let the description intimidate. These recipes are easy to learn and recreate! Mangiamo!

Fast Food & Restaurant Faves (but better!)

Love fast food and eating at popular chain restaurants? This class is for students who want to make easy and healthier versions at home. Participants learn how to recreate fast food favorites and popular restaurant dishes using fresh ingredients and healthier cooking techniques. Get ready to enjoy your favorite comfort foods almost guilt-free and impress your friends and family with your new culinary skills! This theme is offered for two weeks this summer. Once for teens and once for adults!

Ooey Goey Sweet & Chewy: Decadent Desserts

Get ready to indulge in the ultimate dessert experience! In this hands-on class, we'll dive into delicious, sweet treats that are soft, sticky, and oh-so-satisfying. Cookies, cakes, and candy, oh my! By the end, you'll be rolling in dough, and, of course, enjoying your very own batch of sweet, chewy, and goey creations! Perfect for those students with a sweet tooth!

International Sweet & Savory

Take your taste buds on an adventure around the world! We'll explore the delicious diversity of global cuisine by teaching you how to prepare both sweet and savory dishes from around the globe. You'll learn how to blend unique spices, techniques, and ingredients to create easy dishes that are both exciting and satisfying. Perfect for students looking to experience new flavors. This class will inspire you to bring an exciting world of taste to your kitchen!
